

Creating-A-Partnership

Creating-A-Partnership **CONTINUES** to Grow
– Thanks to you!

Due to the overwhelming response by the Lodges and Chapters, we are excited to see the continuation of the current doubling match for our Creating-A-Partnership Program. That means for every \$1 raised, \$3 can be put back into children in your community.

We are proud to continue this successful program for your communities. **Let's make a BIGGER impact this year!**

Can we do it again?

Yes!

"Thank you for your generous financial contribution toward our First Night Program! The funding you donated will be used to purchase comfort items for children when they first enter the foster care system."

— Faith Bridge, Foster Adoptive Family Support
